

**Regional Representative Leah Lambert**  
**Information from USS Spring Board Meeting 2011**

Membership and Program Development Committee

Approved proposals

- There will be a fund set up for Clubs to apply for \$150 to offset costs of club and novice recruitment first come first serve basis so apply to me if interested!
- Add a one day-racing license for all non- championship US Speedskating events for a \$10 fee per event
- Allow board members of each individual clubs and associations the opportunity to purchase a \$30 membership rather than a \$75 membership. Maximum of 4 officers per club and per association
- Information is needed from all clubs and associations. Club lists bylaws and board member information please send information to me as soon as possible so I can give to USS

Few Safety Reminders

- Pads should go from blue line to just before the apex
- All clubs should have a safety action plan incase of an accident on the ice
- Suggested that there should be at least one individual who is in attendance at all practices that is CPR and First Aid certificate

General Changes

- All meet registrations will be done online effective immediately
- Entry fee change to \$75 for both Long Track and Short Track Age Class Nationals
- Short Track all skaters competing in Jr Championships, American Cup Series and U.S. Championships must wear a cut resistant suit underneath or built into skin suit effective this season.
- Long Track registration is being changed to 5 days to 48 hours to 1 hour before competition with a \$250 late fee penalty

Please send all association and club information to this email along with any other questions you may have to [leah@dchybridskating.com](mailto:leah@dchybridskating.com)
