

## **GMSA Minutes for May 24, 2011 6:30 PM**

Patty Allard, Bill Cushman, Sheree Mehring, Joan Peterson,  
Paul Stangl, Rich Vehe (minutes), Joe Von Drasek

- **Minutes for April.** Motion by Patty, second by Rich, approved.
- **Financials.** Joe presented financial information for the season. We lost money on the Pack Nationals (no USS reimbursement for ice), American Cup II, and the John Rose Open (medals purchased but meet cancelled due to weather). There was discussion of ways to enhance income, such as from the new increase in USS meet registrations, merchandise sales, hosting ISU events, and other sources of funding for ice rental for meets. Rich will look into the status of future Junior World Championships (as of January the 2013 and 2014 meets were open for bids).
- **Volunteers.**
- **USS.** USS has received an updated the list of officials from Rich.
- **Racing Schedule.** Joe has contacted USS regarding the LT American Cup, and LT Pack Championships as discussed last time, but there has been no reply.
- **Novice.** Midway has provided funds for the Novice ST program discussed last time. The skate sharpening party was completed at the Oval on May 7.
- **Promotion.** No update.
- **Equipment/Software/Scoreboard.** There was a meeting with AIM Electronics (scoreboard and timing system specialists) on May 5 at the Oval regarding the timing system. We received some leads, and additional suppliers of equipment (some with software) have been found. There is a need to put together a list of basic and optional equipment and software needs, and request information from these suppliers. We will look into setting up a follow up meeting for the week of June 6 or June 13.
- Motion by Joan, second by Patty, approved, meeting adjourned at 7:45 PM.
- **The next GMSA meeting will be Tuesday, June 28 at 6:30 PM at the Oval in the Raider Room. All GMSA members are welcome to attend!**
